NOBLE CANYON FIRE – STATUS UPDATE 3

An EVACUATION ALERT remains in effect for certain properties in the Lavington area. To see if you are in an affected area, please see the [List of Areas Currently on Evacuation Alert](https://www.coldstream.ca/emergency-notice) available at: www.coldstream.ca/emergency-notice

For the most current Wildfire information, please access the BC Wildfire Service site at: <https://wildfiresituation.nrs.gov.bc.ca/map> or download the BC Wildfire App.

An evacuation alert remains to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible before evacuation; however, you may receive limited notice due to changing conditions.

What you should do when an Evacuation Alert is in Effect

You should be prepared for the evacuation order by:

- Locating all family members or co-workers and designate a meeting location outside the evacuation area, should an evacuation be called while separated.
- Gathering essential items such as medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc). Have these items readily available for quick departure.
- Preparing to move any disabled persons and/or children.
- Moving pets and livestock to a safe area.
- Arranging to transport your household members or co-workers in the event of an evacuation order.
- Arranging accommodation for your family if possible, staying with family or friends is recommended.
- Monitoring news sources for information on evacuation orders.
