*Properties shown in yellow are on EVACULATION ALERT.*

An evacuation alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible before evacuation; however, you may receive limited notice due to changing conditions.

## **What you should do when an Evacuation Alert is in Effect**

Upon notification of an **ALERT**, you should be prepared for the evacuation order by:

- Locating all family members or co-workers and designate a meeting location outside the evacuation area, should an evacuation be called while separated.
- Gathering essential items such as medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc). Have these items readily available for quick departure.
- Preparing to move any disabled persons and/or children.
- Moving pets and livestock to a safe area.
- Arranging to transport your household members or co-workers in the event of an evacuation order.
- Arranging accommodation for your family if possible, staying with family or friends is recommended.
- Monitoring news sources for information on evacuation orders.

### **Next Update:**

The next update will be issued at 9:00 am on Saturday September 6, 2025 or as new information becomes available.
